You can also call CBJ's COVID-19 Hotline 586-6000 to schedule a vaccine or booster appointment.

Here's who can get a booster:

- **For individuals who received a Pfizer or Moderna COVID-19 vaccine**, the following groups are eligible for a booster shot 6 months or more after their initial series:
 - Anyone 65 years and older
 - People age 18 and older with [underlying medical conditions](#), or who live or work in [high-risk settings](#).

- **For individuals who received the Johnson & Johnson COVID-19 vaccine**, booster shots are recommended for those who are 18 and older, and who were vaccinated two or more months ago. There are no other eligibility requirements.

If you're eligible for a booster, you can choose either Pfizer, Moderna, or Johnson & Johnson for your booster dose – regardless of which vaccine you initially received. See [this chart](#) or [read this](#) for more details.
