

155 S. SEWARD STREET ▪ JUNEAU, ALASKA 99801 ▪ 907-586-5240

INFORMATION RELEASE

November 22, 2021

Starting Nov. 23, Public Health offers walk-in COVID-19 vaccines & boosters every weekday

Starting Tuesday, November 23, the Juneau Public Health Center is offering COVID-19 vaccines for ages 5 and up Monday to Friday, 8:30 a.m. to 4 p.m. through December 30, excluding holidays. Make an appointment on juneau.org/vaccine, call 586-6000, or simply walk in.

The following COVID-19 vaccinations are available every weekday at Juneau Public Health Center, 3412 Glacier Highway:

- Pediatric Pfizer vaccine for ages 5-11
- Adult Pfizer vaccine for ages 12 and up
- Pfizer booster for ages 18 and up
- Johnson & Johnson vaccine or booster for ages 18 and up

The Centers for Disease Control and Prevention [last Friday](#) expanded eligibility for COVID-19 booster shots to all adults. People age 18 years and older who received Pfizer or Moderna COVID-19 vaccines may get a booster six months after completion of their primary vaccination series.

If you initially received the Pfizer or Moderna COVID-19 vaccine, you can get a Pfizer, Moderna, or Johnson & Johnson booster 6 months or more after the initial series. If you initially received the Johnson & Johnson vaccine, you can get a Pfizer, Moderna, or Johnson & Johnson booster 2 months or more after the initial vaccine.

For more information on getting a COVID-19 vaccine or booster, go to juneau.org/vaccine or call 586-6000.
